Ugly Bug Ragtime 3

John Burgess clarinet

Ross Milligan guitar and banjo

Andy Sharkey string bass

This highly talented trio brings together three of Scotland's finest jazzers to play a wonderful mix of hot rags, blues and stomps from the golden age of jazz all delivered with real drive, swing and verve by the wee band with the big, big sound. Whilst showing due reverence to tradition, each and every piece is stamped with their own personalities and the experience they have gained over the years working alongside many of the jazz "greats" such as Stephane Grappelli and Earl Hines. The trio has played at Jazz Festivals all over their native land often playing with some very special guests including Enrico Tomasso, Leroy Jones, Brian Kellock and Roy Williams.
